

SEASON 2026

**Advance your career
in AI Safety**

Recommended by 98% of participants

Free for you

Food, accommodation, and teaching are all provided at no cost to participants. Travel costs may be reimbursed if they're a barrier to attending

Close to home

Everyone in a bootcamp comes from the same region so you'll be learning alongside people you can stay in touch with

Great People

Work alongside talented and motivated people who are committed to making an impact

In English

All sessions, materials, and discussions are conducted in English

All backgrounds welcome

We look for people from all walks of life who are committed to contributing to AI safety

A focused environment

Accommodation is on-site and participants stay at the venue for the duration of the bootcamp

Programmes

Technical

Machine-learning engineers, computer science graduates, technical researchers

ml4good.org/technical-track

Governance and Strategy

Policy/legal professionals, operations, communicators, and strategists

ml4good.org/governance-track

Upcoming Bootcamps

No upcoming bootcamps scheduled.
